Please ask a member of our team to find out more about allergen details.
Please let us know if you have any allergies, intolerances or sensitivity before you order your drinks.

Suppliers

Supporting local producers is essential and we're passionate about their commitment to quality. When we prioritise local beverage sources, we reduce the carbon footprint associated with transportation. By choosing local, we contribute to sustainable agriculture practices and help maintain biodiversity.

By selecting wines from our local vineyards: Chapel Down, Wildshark, Gusbourne, Nine Oaks, Warehorne Vineyard, and Champagne Taittinger's Domaine Evremond, we not only support local, but offer our guests the unique opportunity to experience the distinct craftsmanship from our county in every glass we serve.

Our Kentish beers from Faversham Brewery, reflect the history of our county, while our ciders from Kentish Pip bring a fresh, modern take to traditional cider making, and Biddenden Cider bring fantastic flavours with their Biddies Cider range.

Every hot drink we serve is proud to be made with milk from Goudhurst and paired with Workshop Coffee - you're in for a cosy hot drink!
